Radisson Blu Mall of America Visitor Parking Ramp

Self-parking in the South Ramp located directly underneath the hotel is \$15 per day, includes "in and out" privileges if the attendee or overnight guest goes to the hotel's front desk, advises the front desk that he/she will need "in and out" privileges and pays the \$15 parking fee at the front desk; front desk then validates the ticket for "in and out" privileges or provides chaser tickets for the "in and out" privileges. Self-parking is based upon availability. Valet parking is available based upon availability at time of arrival for \$25 for overnight and \$10 for event parking.

Mall of America East and West Parking Ramps

Complimentary self-parking is also available in the East and West ramps. If you are a registered hotel guest and are parking overnight in either of these lots, please bring the make & model of your vehicle, as well as your license plate number, to our front desk upon check-in. The Hotel team will inform the Mall of America team of your information. Mall of America's team will tow cars which are parked overnight in those two ramps that have not been registered with the hotel as staying at the hotel on that same night. If you are an overnight guest of our hotel, our recommendation is to first check-in at our front desk and drop off your luggage. Then self-park your vehicle and fill out the required parking form with the required information and then turn it back into our front desk.

Travel south on 24th Avenue and pull into the security checkpoint marked by a small building and labeled *Authorized Vehicles Only*. Tell the Mall of America security personnel that you have a delivery for the Radisson Blu and they will permit you access. Continue into the Mall of America Parking and Transit area by driving over the light rail tracks. After going over the light rail tracks, turn left and continue on the road until you see the garage doors. Depending on vehicle length:

Vehicles Less than 28 ft. Long – Radisson Blu Loading Dock

The entrance for the Radisson Blu loading dock will be the large white and gray garage entrance on your left. Once into the garage entrance, the hotel loading dock and security office will be on your left.

Vehicles More than 28 ft. Long – Mall of America Loading Dock

Continue straight and request access from the Dock Master located in the small building next to the large red garage doors. In order to use the Mall of America Loading Dock, Mall of America and Radisson Blu Security must both be notified 24-hours prior to arrival.

For approval for use of MOA loading dock or any questions:

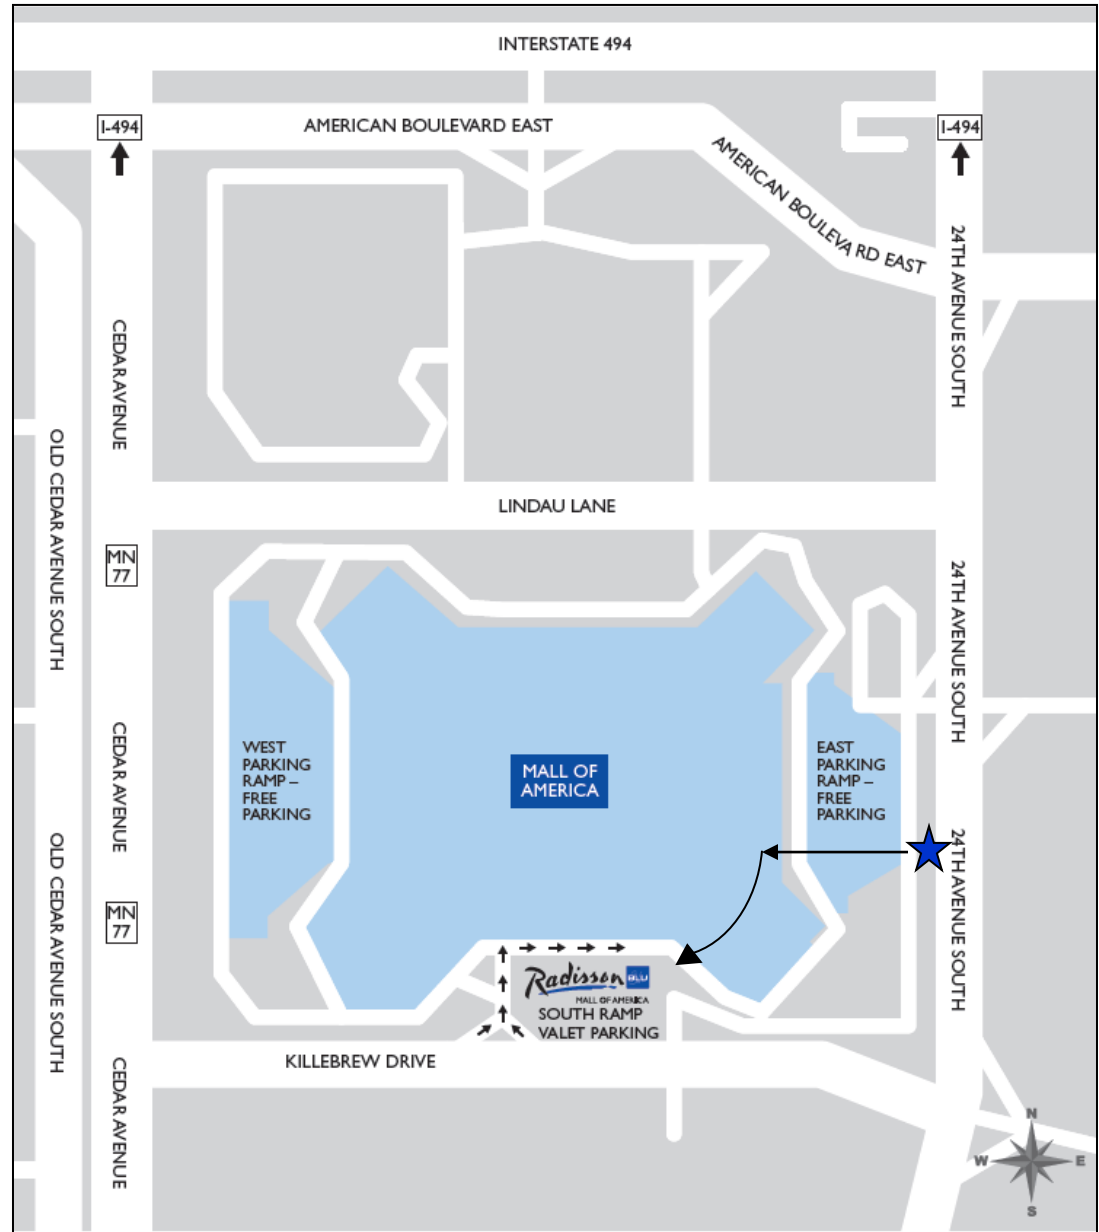

Marcellus Washington – 952.851.4075 or

Marcellus.Washington@Radisson.com

Scott Huston – 952.851.4071 or Scott.Huston@Radisson.com

All non-hotel personnel are required to wear a Radisson Blu Vendor Badge. To obtain a badge, you must exchange a government issued ID for a badge in the Radisson Blu security office.
